DATED: 07.12.2005

Between:

Dasari Jogaiah and another.

... PETITIONERS

AND

The Revenue Divisional Officer and another.

... RESPONDENTS

ORDER:

-

The 1st petitioner claims to have made a representation, dated 05.09.2005, to the respondents, with a prayer to provide employment to his son, the 2nd petitioner herein. The basis for the claim of the 1st petitioner is that his land admeasuring Ac.0.03 guntas in Survey No.235/3 and Ac.0.01 guntas in Survey No.236/3 is affected, on account of flow of effluent from the factory established by the 2nd respondent. Alleging that no action has been taken thereon by the respondents, this Writ Petition is filed.

Heard the learned counsel for the petitioners and the learned Government Pleader for Revenue.

The 1st petitioner seeks the relief of providing employment to his son, the 2nd petitioner herein, against the 2nd respondent, which is a private limited company. This Court cannot entertain writ petitions against such Agencies, particularly where no complaint is made as to infraction of any statutory provision. If there exists any contract between the petitioners on the one hand and the 2nd respondent on the other, the same needs to be enforced either by filing a suit or by invoking the provisions of the Industrial Disputes Act, 1947. This Court does not find any basis to entertain this Writ Petition.

Hence, the Writ Petition is dismissed, leaving it open to the petitioners to work out their remedies. There shall be no order as to costs.
